

BLET DESIGNATED LEGAL COUNSEL

The Brotherhood of Locomotive Engineers and Trainmen has designated attorneys who are qualified to serve as counsel for BLET members in accordance with the Federal Employers Liability Act (FELA) governing workplace accidents.

In the event of an injury or death and before reaching any settlement with a railroad, members or surviving families should contact an attorney listed to get competent advice concerning their legal rights under the FELA.

In addition, if you or any members of your family have questions concerning medical malpractice, product liability or other types of injury cases, please don't hesitate to contact one of these law firms for a consultation concerning your rights and remedies.
